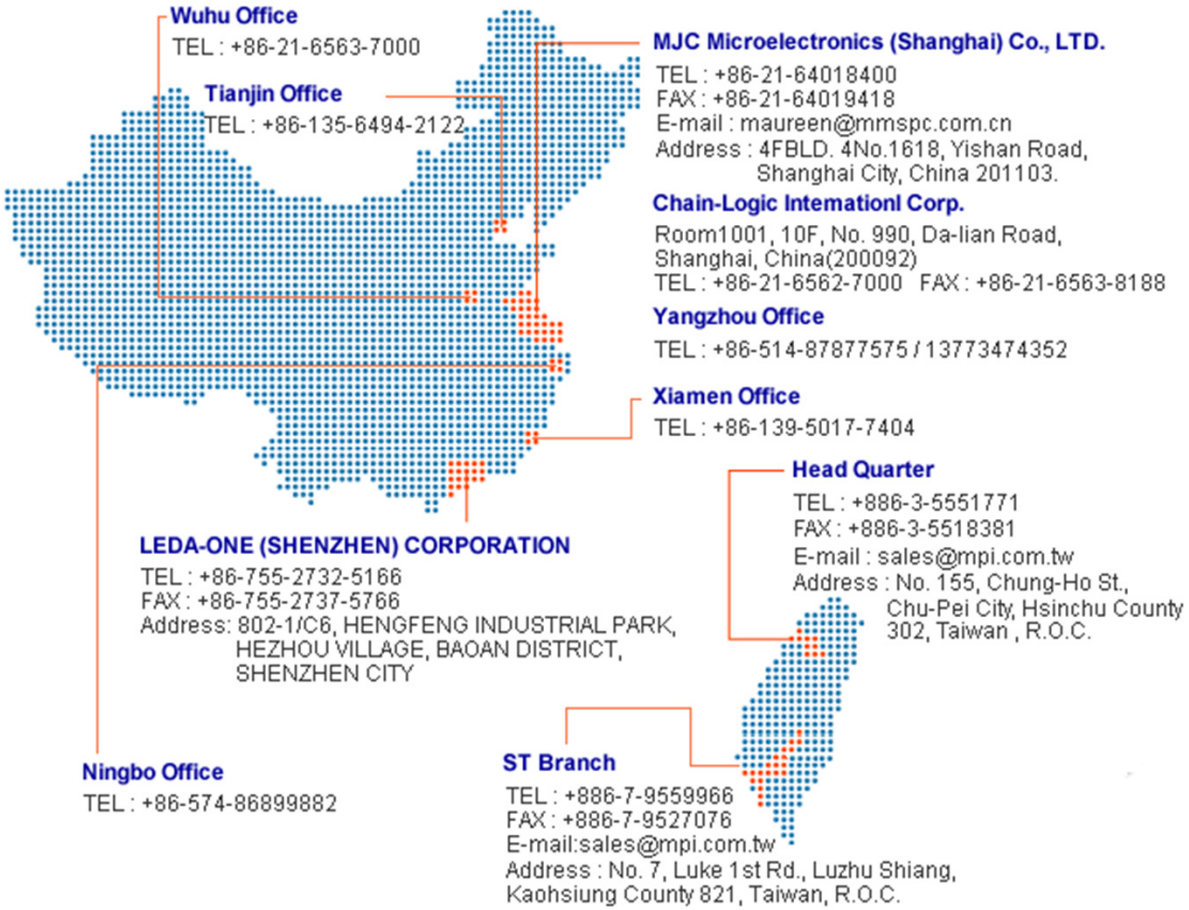
Taiwan Investor Conference 2012

Safe Harbor Notice

The information herein contains forward-looking statements. We have based these forward-looking statements on our current expectations and projections about future events. Although we believe that these expectations and projections are reasonable, such forward-looking statements are inherently subject to risks, uncertainties and assumptions about us, including, among other things: the intensely competitive Semi-conductor, and LED industries and markets; Cyclical nature of the semiconductor industry; Risks associated with global business activities; General economic and political conditions; Other risks identified in our annual report for the year ended February 29th, 2012. All financial figures discussed herein are prepared pursuant to ROC GAAP on an un-audited unconsolidated basis. All audited figures will be publicly announced upon the completion of our audited process.

Company at a Glance

Founded	**July, 25, 1995**
Paid-in Capital	**NTD$ 786M** (2012.04.30-the latest)
Employees	**877** (2012.04.30)



Business Portfolio

LED Turnkey Solution for Probing and Sorting in Chip level and package level

Chip Level → **Package Level**

Prober → **Sorter** → **Handler** → **Tapping**

2 in 1 (Prober + Sorter)

- Reduce spacing demand for capex
- Reduce workforce
- Process improvement

Geography & Product Mix
